There's a FAQ on the Affinity forums that states that the Windows trial will follow soon after the release of Designer on Windows. So it'll probably be released in the new year. So it'll probably be released in the new year.

[Affinity Designer Reviews 2019 | G2 Crowd](#)

While Affinity Designer is a great image and vector editor, there are some features that Adobe still leads in. LiveTrace and the Warp tool are two things that Illustrator have but Designer does not, so if you have a raster image you want to convert to vector, it will be tough in Affinity designer without tracing.
