Chapman Piloting and Seamanship is a comprehensive reference to all that a captain could be expected to know. Specialist books may go into more detail, but this book puts it all in one place, and I wouldn't substitute this book for instruction from an experienced hand. But, it is a book that you can keep going back to again and again over decades of life on the water. It is clear, and well written. [Chapman Piloting & Seamanship 68th Edition, Book by ...](#)
