Coraline Summary - Shmoop

Coraline plays one last trick to trap the other mother's hand in a deep well. Phew, finally the scariness is over. After all this excitement, Coraline is ready to start the school year, and boy, is school going to seem really tame by comparison.

Coraline (2009) - Plot Summary - IMDb

When Coraline moves to an old house, she feels bored and neglected by her parents. She finds a hidden door with a bricked up passage. During the night, she crosses the passage and finds a parallel world where everybody has buttons instead of eyes, with caring parents and all her dreams coming true.
