[What Is a Developmental Editor? What Can You Expect?](#)

What Is a Developmental Editor? Developmental editors (DEs) are concerned with the structure and content of your book. If your manuscript lacks focus, your DE will help you find the right direction, the right direction generally being the most marketable.

[Developmental editing: Find the right developmental editor ...](#)

What is developmental editing? A developmental edit is a thorough and in-depth edit of your entire manuscript. It is an examination of all the elements of your writing, from single words and the phrasing of individual sentences, to overall structure and style.

[Malone Editorial | Developmental Editing | Step By Step ...](#)

Why Developmental Editing. The vast majority of freelance editors working today are copy editors. Which is fine and dandy in its place. But a good copyedit isn't the first step in the process of bringing a manuscript to publication.

What should you expect from a developmental editor? I have worked with a developmental editor who has tried to take control of the process. Now that he has completed his job as the developmental editor, he thinks he is a co-writer and has the idea that he will be involved with me when I begin a book signing tour.

[Developmental editing - Wikipedia](#)

Developmental editing is a form of writing support that comes into play before or during the production of a publishable manuscript, especially in the area of non-fiction writing.

[Why We All Need a Developmental Editor | Blurb Blog](#)

Why We All Need a Developmental Editor There are two kinds of editing in this world: copy editing and developmental editing (the kind that most people don't talk about). For the copy editor, the mechanics of punctuation, grammar, and spelling are what matter and any writer worth their salt knows those are key to a final draft.

[What Is Developmental Editing and Why Should You Use It ...](#)

In the interest of transparency, I will share with you that in addition to my literary author and entrepreneur hats, I also wear the developmental editor cap for my author clients, so I am clearly biased in favor of said cap.

[Path Editor L0a Dave's Development Blog](#)

I've make a small fix to the Path Editor. It now broadcasts a WM\_SETTINGCHANGE message to the system when you change a path so applications like Explorer can pick up the changes.

[Developmental Editing | Professional Editors for Authors](#)

Developmental editing takes the seed of your book and helps you grow it into something beautiful. You might have finished writing a first draft, or you might only have a large pile of notes, character sketches, and plot diagrams.

[Developmental Editing: The Work, the Market, and You - BAEF](#)

According to Woodward, the developmental editing process works well in the high-tech world, because editors are involved in many stages of the books, including development, copyediting, and templates.

[What Is Developmental Editing? Fresh Ink Book Editing](#)

Developmental editing refers to editing that aims to improve the content and structure of a manuscript.

Developmental editing is very different from its cousins, proofreading and copyediting, types of editing that ensure that a manuscript's grammar, punctuation, and spelling are in accordance with rules codified in reference books such as the

[BAEF :: Editorial Services Guide: Developmental editing](#)

Developmental editing may also involve altering the content to meet the recommendations of reviewers and determining the style and general content of the illustrations and/or diagrams. Copyediting is a separate step after the developmental stage.

[Newline - Wikipedia](#)

Newline (frequently called line ending, end of line (EOL), line feed, or line break) is a control character or sequence of control characters in a character encoding specification (e.g. ASCII or EBCDIC) that is used to signify the end of a line of text and the start of a new one.
