Floss Conversion Charts . The floss conversion charts have been divided into two categories. The first, Kit Floss Conversions provides charts for converting from the floss codes found in Bucilla, Design Works Crafts Dimensions, and Candamar kits to codes for DMC, Anchor, J & P Coats, or Sullivans.

[Conversion Charts for Embroidery Thread and Floss](#) DMC's color cards aren't so much a conversion chart as they are a great reference tool. They are available in two versions. The most common that you'll find is a printed card showing all of the colors, but if you order from their website, they also offer a version with actual thread samples for more accurate color matching.
