Ultimate Guide to Engine Oil - Carbibles

Ultimate Guide to Engine Oil. By Dan Collins. Published 10:07 am. If you love your car, then you know just how important its engine is. Taking good care of the car's engine is a must and an inherent responsibility for every individual who owns a vehicle. And one of the best ways to care for your car's engine is by using only the highest possible quality of oil that we could ever put inside.

What Is the Difference in 10w-40 Car Oil and 5w-30 Oil ...

The difference between 10w-40 and 5w-30 motor oil is in the ability of the oil to cling to the engine's moving parts, which dictates the best application for each type of oil. **First Number** The first number in the motor oil's name describes the oil's cold viscosity.
