Gothic | Definition of Gothic at Dictionary.com

Gothic definition, noting or pertaining to a style of architecture, originating in France in the middle of the 12th century and existing in the western half of Europe through the middle of the 16th century, characterized by the use of the pointed arch and the ribbed vault, by the use of fine woodwork and stonework, by a progressive lightening

Gothic Architecture: Key Elements of the Style

Gothic architecture is a European style of masonry that values height, intricacy, sizable windows, and exaggerated arches. In the 12th century, advancements in engineering allowed for increasingly colossal buildings, and the style's signature vaulting, buttresses, and pointed building tops paved way for taller structures that still retained natural light.
