How to Build a Dog House (with Pictures) - wikiHow
To build a dog house, first make a base that's big enough for your dog and insulated enough for however hot your summers or cold your winters are. When the base is finished, build and put up the walls, making sure to cut out a door in the front wall. Then build and attach a triangular, sloping roof that will allow rain and snow to slide off easily. Finally, customize your dog house by painting
