Introduction to Psychology 1st Canadian Edition The BC ...

Book Description: This book is designed to help students organize their thinking about psychology at a conceptual level. The focus on behaviour and empiricism has produced a text that is better organized, has fewer chapters, and is somewhat shorter than many of the leading books.

Introduction to psychology - James W. Kalat - Google Books

Currently, Dr. Kalat is at North Carolina State University where he is a professor of psychology, teaching both introductory psychology and biological psychology. Besides having authored the best selling biological psychology text, Dr. Kalat is the author of INTRODUCTION TO PSYCHOLOGY, 8th Edition (Wadsworth, 2008) and has published articles on a variety of diverse topics such as taste

Introduction to Psychology - Open Textbook Library

Introduction to Psychology utilizes the dual theme of behavior and empiricism to make psychology relevant to intro students. The author wrote this book to help students organize their thinking about psychology at a conceptual level. Five or ten years from now, he does not expect his students to remember the details of most of what he teaches them. However, he does hope that they will remember
