The five love languages are something many relationship counsellors and therapists use in their work with couples. Although they don't use that term specifically, it's a framework by which they  
[speak to a partner who's love language is words of affirmation](#)

In his book, Chapman explains that we tend to give and receive love in five main ways: words of affirmation, quality time, gifts, acts of service, and physical touch. My then-fiance and I devoured our copies in a day, discussing our love languages afterward over takeout in my tiny living room. He couldn't decide between physical touch and quality time (it turned out to be both). Mine was a
