Certificates of Membership Interests. Membership interests need not be certificated provided that if the Board of Directors decides to certificate such membership interests, the certificates evidencing membership interests in the Company shall be in such form, not inconsistent with that required by law and the certificate of formation of the

Protocol Spec - Hyperledger Fabric

Protocol Specification Preface. This document is the protocol specification for a permissioned blockchain implementation for industry use-cases. It is not intended to be a complete explanation of the implementation, but rather a description of the interfaces and relationships between components in the system and the application.
