[What Oil Should Be Used in a John Deere Riding Mower ...](#)

John Deere riding mowers have gasoline-powered engines and are intended for residential mowing. The company refers to its larger mowers -- which may be used for residential or commercial applications -- as lawn tractors. These units have either gasoline or diesel engines. John Deere recommends consulting your riding mower owner's manual for the exact type of recommended oil. A knowledge of oil viscosity can help guide you, however. [John Deere Maintenance Monday: Lawn mower best oil ...](#)

John Deere Product Marketing Manager Greg Weekes says most riding mower engines are air-cooled, so they can use both multi- and single-viscosity oils. However, refer to the owner's manual for the manufacturer's recommendations.
