[How to Build a Deck Around an Above Ground Pool -](#)

wikiHow

If you want to build a deck around an above ground swimming pool, use stakes and string lines to mark a square around the pool. Make sure it is big enough for the swimmers to comfortably walk around the pool. Then, install pre-made concrete piers along that string line, and put 4x4 wood posts in them to support the deck. Next, build deck supports around the perimeter of the pool and build the
