[Regional Development in Greece: N. Konsolas, A ...](#)

This book is based on the Regional Section of the Development Plan 2000-2006, prepared by the Regional Development Institute according to the Greek Ministry of National Economy's directions and available data.

[Regional Development Policy - OECD](#)

Regional development is a broad term but can be seen as a general effort to reduce regional disparities by supporting (employment and wealth-generating) economic activities in regions. In the past, regional development policy tended to try to achieve these objectives by means of large-scale infrastructure development and by attracting inward investment.
