"What is Shadowline? It is the place where things meet: light and shadows, hope and despair, good and evil. It is, to me, the most interesting place to hunt for stories." So begins this stunningly realized and beautifully rendered new work from master storyteller and artist Iain McCaig. McCaig is best known for his work as a principal designer on the three Star Wars prequels, including the iconic characters Queen Amidala and Darth Maul, as well as his work on many major motion pictures.
