Economics of Money, Banking, and Financial Markets,

10th ...

The Economics of Money, Banking, and Financial Markets is a text book published in 1997. I bought it because I want to understand the subject without the focus on the recent crises. I bought this one and "Modern Banking (2005)" to better understand how the markets function and the crises. Mishkin identified the factors that made the crisis worse 10 years before the financial crisis.
