The European Community, the European Union, and the international law of treaties : a comparative legal analysis of the community and union's external treaty-making practice

EU treaties | European Union

The European Union is based on the rule of law. This means that every action taken by the EU is founded on treaties that have been approved voluntarily and democratically by all EU member countries. For example, if a policy area is not cited in a treaty, the Commission cannot propose a law in that area.

Treaties of the European Union - Wikipedia

Article 1 establishes the European Union on the basis of the European Community and lays out the legal value of the treaties. The second article states that the EU is "founded on the values of respect for human dignity, freedom, democracy, equality, the rule of law and respect for human rights, including the rights of persons belonging to minorities". The member states share a "society in

The Treaty establishing the European Community is renamed the Treaty on the Functioning of the European Union and the term Community is replaced by Union throughout the text.

Direct Effect of International Agreements of the European ...

to shape the relationships between the European Union and international law; the function of direct effect as a powerful instrument to guarantee that the rules of one system are complied with in another legal order.

EU law | European Union

EU legislation is divided into primary and secondary. The treaties (primary legislation) are the basis or ground rules for all EU action. Secondary legislation which includes regulations, directives and decisions are derived from the principles and objectives set out in the treaties.

Legal order - Community law - European Commission

Community law is a legal system in its own right that generates rights and obligations for all of us in Europe. In the internal market, trade between Member States is intensifying all the time. Europeans are travelling more and more to settle in another country, work, do business, have holidays, marry etc..

The Treaties of Rome are two of the treaties ... - Law Teacher

The Treaty of Paris was an international treaty based on international law, designed to help reconstruct the economies of the European continent, prevent war in Europe and ensure a lasting peace. The original idea was conceived by Jean Monnet, a senior French civil servant and it was announced by Robert Schuman, the French Foreign Minister, in a declaration on 9 May 1950.
