Thomas Stanley's History of Philosophy | SpringerLink Abstract. The simultaneous publication in 1655 of Thomas Stanley's History of Philosophy and Georg Hornius' Historia philosophica gave evidence for the growing need in England and the Low Countries for systematic historical analysis of philosophy.

The History of Philosophy | work by Stanley |

discussed in biography. In Thomas Stanley Stanley's The History of Philosophy, which long remained a standard work, was published in 1655-62, and his edition of Aeschylus with Latin translation and commentary in 1663. He had a graceful if tenuous gift as a lyrical poet and was a versatile and accomplished translator. Read More.

The History of Philosophy (1701) by Thomas Stanley

The following history consists of nineteen parts; the first treats of the seven sages or wise men of Greece, so famous in Antiquity; the others give us an ample account of the twelve different sects of philosophers, the lives of the most eminent professors, and the opinions held by them.
