#### **The Best Free Twitter Analytics Tools | Brandwatch**

Twitonomy is a very robust tool that offers different methods of Twitter analysis for your account and those of your competitors. All you have to do is sign in with your Twitter account and provide your competitors' Twitter handles.

#### **Free Twitter analytics tools - with views from experts ...**

Twitter Analytics is THE Twitter analytics tool, and one of the best things about getting data from the social network that produces it, is that you can be confident the data is accurate. Twitter Analytics only reveals data about profiles you own (no competitive intelligence DOH!) but the breakdown of month by month top-line stats is a great way to track how you're performing over time.
